Exceptional Shingle Style residence thoughtfully designed for gracious entertaining. This custom home was built on an elevated site with stunning vista views from its private grounds. Architectural windows capture the majestic setting from a grand foyer. Beautiful french doors accent the living room and lead to bluestone patios and rolling lawns. The elliptical wall of windows in the dining room is an elegant detail. The handsome cook's kitchen is separated by decorative columns and a breakfast room. The impressive family room makes a statement with its palatial cathedral ceiling and sophisticated mill work. The custom floor plan features a first floor guest suite with its own sitting room and picturesque gardens. The master bedroom is equipped with two bathrooms and wardrobe rooms. The upstairs bedrooms are spacious and have their own en-suite bathrooms. The receiving court with a waterfall, specimen plantings and beautiful stone walls complete the impressive landscape.
